featuring a lineup of distinguished academics this collection remedies the absence of scholarly attention to french cinematic legend isabelle huppert this volume deconstructs huppert s star persona and public profile through critical and theoretical analysis of her various screen roles from her very early appearances alongside romy schneider in césar et rosalie sautet 1972 and gérard depardieu in les valseuses 1974 to a number of celebrated collaborations with high profile european auteurs such as catherine breillat claire denis

jean luc godard michael haneke and joseph losey and with more popular auteurs such as claude chabrol and françois ozon known for a cerebral internalization of characterization a technical mastery of extreme emotions and a singular brand of icy intellectualism huppert s performances continue to impress stun and surprise audiences by focusing on several theoretical questions that relate to image identity sexuality and place this volume situates huppert s star persona in the more practical creative contexts of performance authorship genre and collaboration this volume contrasts complementary critical accounts of her stardom by working across the different periods and territories of her career

this book is for all those authors who dread publishing their books whether it be in printed or electronic format or both i have published well over a hundred books to all the major printers and distributors so it came as a surprise when i recently became aware that some excellent writers are put off self publishing themselves because they find the task too confusing and difficult and so they pay others to do it for them i can understand this if an author wants to save time and so the purpose of this book is to help those who would like to do the job themselves but don t know how it is actually very satisfying to conceive the idea for a book write it and then publish it yourself all on your own and with the help of this book that is exactly what you will be able to do inside you will learn how to publish to all the major distributors like amazon ibookstore barnes and noble lulu nook kindle smashwords and xinxii

this is a very thorough detailed resource that is a must have for anyone considering self publishing a book jane are you interested in self publishing a book but fear it is beyond your capabilities when confronted with the confusing multifaceted world of publishing many authors make the assumption they aren t capable of self publishing but nothing could be further from the truth how to self publish a book for the technology challenged author is perfect for authors who have finished creating a story but are intimidated by the next steps this book s step by step friendly format will make it easy for you to shake off the anxiety of the unknown and find your way safely and quickly to the fun and profits of self publishing many books on publishing focus only on amazon this book helps you understand the full range of choices available to all authors it helps authors understand how to make their book available to as many readers as possible author technical trainer barb drozdowich has worked with non technical authors for years and understands how to break complex topics down using non technical language she has traditionally published and self published of 27 books and understands all of its forms barb cuts through all the technobabble to teach you what you need to know to successfully publish your book in a down to earth and practical way some of the skills you will learn from this book include how to find an editor cover designer what an isbn is and where to get one for the country you live in how to structure and format your book where you can sell your book how to set up all the retailer accounts and how to get paid what to look for in a service provider where to find freelancers to help this book has a huge appendix filled with articles for further reading lists of helpful videos lists of distributors a multi page glossary and much more don t let your struggles with technology hold you back from self publishing let barb help you to learn the language and move forward into the publishing world with confidence pick up a copy and start publishing today

you can publish directly from your writing print pdf epub kindle indesign is the best tool available for authors desiring to control the look and function of their book as you write print or ebook there is no better way to help the reader understand what you have to share from your basic indesign document s you can easily export the best pdfs for print colored pdfs for reading online or on your ipad ebooks for ibooks kobo and nook and a kindle version for fire and the older versions no other application has nearly the control over typography this book gives you a solid background in typography page layout and book design while providing you with the latest instruction on the creation of on demand books for the best providers print epub and kindle used by the new generation of self publishers in the 21st century experience the joy and satisfaction of controlling the look and presentation as you create your world in words your book becomes a much more meaningful creative experience your readers receive the love and care you send their way it s a wonderful way to write experience the joy of creation here s some brief words as you start though this second edition of writing in indesign you will discover that what i am doing is working creatively within indesign to produce completed books almost as a fine art exercise while maintaining excellence and production needs what i want to share with you is a method an attitude a

ministry of service to the reader which is enabled by the typographic power of indesign i am discussing one person self publishing direct communication from author to reader one of the wonderful things about the new publishing paradigm is the control we get as artists authors and designers over the entire package a modern book is released in multiple sizes versions and formats the content and design remain fluid as we shape the book while we learn and grow after they are released we can easily adjust content layout and presentation of our books in response to emails facebook twitter and the whole host of contemporary social networking online this book contains an extravagant amount of additional training in the appendixes a basic typography part one here you get the information you need to use fonts professionally this covers why and how typesetting what we do in indesign differs from typewriting what you might do in word and office b setting up styles typography part two here is the conceptual knowledge on how to set up a functional default set of paragraph and character styles plus an intro to object styles you ll modify these for your use b2 a set of default styles here are step by step instructions for setting up a set of defaults which will get you started you will modify these many times as you proceed in your book design journey but you must start somewhere c image production formats the difference between vector and bitmap how to make a graphic in indesign how to convert them in photoshop for use in ebooks what formats should be used and why c2 cover design you increasingly need to be concerned about how readable your cover is when reduced to thumbnail size on a website this is true of your print covers as well as your ebook covers d uploading your finished book this covers step by step procedures at lulu and createspace for print books and for downloadable pdfs at lulu and scribd e designing your epub kindle here are design tips techniques for converting your printed book to an epub included is a simple conversion process for your kindle version f repairing the xhtml and css for those of you still using cs5 5 or earlier for those of you comfortable in these two coding languages here are instructions on how to crack open your epub and make it fancy

letting go of her was not easy but winning her back was harder than anything i could have ever imagined after nearly losing the love of his life to a terrible accident ronnie realizes how much he loves adira and what an idiot he had been to hurt her what s more her overprotective mother now takes care of her and does not like ronnie being anywhere near her daughter he s going through hell unable to go back in time and fix things unable to say what he missed saying to her i love you all he wants now is a second chance to trace his steps back into a loving relationship and win adira over it will not be easy because life is tough love even tougher something i m waiting to tell you is the sweet intense conclusion of a story that started with something i never told you a book that will teach you a thing or two about soulmates
