excerpt from the ethical teachings of jesus delivered before the university of pennsylvania december first 1909 on july 6 1899 a standing committee on the boardman lectureship in christian ethics was constituted to which shall be com mitted the nominations of the lecturers and the publications of the lectures in accordance with the trust about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

this book studies the interplay of economic philosophy and moral conduct as reflected in the writings of one of the most renowned scholars in islamic history abū ḥāmid muḥammad ibn muḥammad al ghazālī d 1111 as is well known imām al ghazālī nicknamed the proof of islam

contributed immensely to islamic theology philosophy and sufism or islamic mysticism taẖawwuf strikingly enough al ghazālī also made seminal contributions to the field of economic thought but this contribution has been largely neglected although al ghazālī dedicated many chapters to what he considered just and sharī a based economic conduct in muslim society this book aims to analyse and revive al ghazālī s understudied contribution to economic thought by emphasizing his economic philosophy and its correlation between sharī a s moral law and the tradition of taẖawwuf as well as to situate his thought within the context of modern economic theories

the growing movement of post evangelicalism highlights an opportunity to elevate and center the moral teachings of jesus so many of those who identify as christian intuitively know that their old version of faith is no longer working and they feel a theological vacuum david p gushee has been a leader in recent years for those ready to move on to a more examined and robust faith now in the moral teachings of jesus gushee examines forty teachings of jesus drawn from all four new testament gospels to clarify exactly what jesus said about the moral life

this useful and practical book provides the college student seminarian church study group and interested lay person with a much needed introductory guide on the how method and the what message of jesus teachings in this revised edition robert stein updates his classic work adds a new bibliography and introduces use of the new revised standard version of the bible bringing this important text to a new generation of students

consider the impact of jesus christ s ethical teachings on modern day culture with this compelling work by joseph alexander leighton through careful analysis and interpretation leighton explores the ways in which these teachings have shaped the moral foundations of our world this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

first published in 1968 and out of print since the 1980s victor paul furnish s treatment of paul s theology and ethics has long been regarded

as the key scholarly statement and most useful textbook on Paul's thought now theology and ethics in Paul is available once again as part of the Westminster John Knox Press New Testament Library featuring a new introduction from Richard Hays this timeless volume is as relevant in this century as it was in the last the New Testament Library offers authoritative commentary on every book and major aspect of the New Testament as well as classic volumes of scholarship the commentaries in this series provide fresh translations based on the best available ancient manuscripts offer critical portrayals of the historical world in which the books were created pay careful attention to their literary design and present a theologically perceptive exposition of the text

a concern for the ethical instruction and formation of students has always been a part of American higher education yet that concern has by no means been uniform or free from controversy the centrality of moral philosophy in the undergraduate curriculum during the mid 19th century gave way later during that era to the first signs of increasing specialization of the disciplines by the middle of the 20th century instruction in ethics had by and large become confined almost exclusively to departments of philosophy and religion efforts to introduce ethics teaching in the professional schools and elsewhere in the university often met with indifference or outright hostility the past decade has seen a remarkable resurgence of the interest in the teaching of ethics at both the undergraduate and the professional school levels beginning in 1977 the Hastings Center with the support of the Rockefeller Brothers Fund and the Carnegie Corporation of New York undertook a systematic study of the state of the teaching of ethics in American higher education

excerpt from the ethical teaching of Jesus this book originated from a course of lectures which were prepared for the students of the Union Theological Seminary in the fulfillment of my duty as professor of biblical theology the field of biblical theology may be divided into three divisions biblical religion biblical faith and biblical ethics see general introduction to the study of Holy Scripture pp 604 sq after the completion of the courses on biblical religion and biblical faith I undertook an inductive study of biblical ethics this I found to be a comparatively unexplored field for most scholars have devoted their attention to the central theme the biblical faith many to the religion of the Old Testament but few to the ethics either of the Old Testament or the New Testament and these few have for the most part considered the subject on the basis of selected passages for homiletical or practical purposes from the point of view of the ethical philosophy which they held my attention was first given to the ethics of the Old Testament after which I made a complete inductive study of the ethics of Jesus this study was revised several times as the lectures were repeated to different classes about the publisher Forgotten Books publishes hundreds of

thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
