for the last two years of the civil war i was a private soldier in a regiment of alabama cavalry which had formerly served under forrest four companies of this regiment had formed a portion of the famous battalion which had distinguished itself in the engagement at fort donelson and refusing to surrender had marched out with him through the gap in general grant s lines although i was at no time directly under general forrest i was impressed by the enthusiastic devotion to him of these veterans who had followed his banner for the first year of the war and who seemed never to tire in speaking of his kind treatment of them his sympathetic nature as a man his great personal daring and especially of his wonderful achievements as a commander of these achievements i was at that time not altogether ignorant his escape from fort donelson the desperate charge which saved beauregard s army from sherman s vigorous pursuit after shiloh in which he was severely wounded the capture of murfreesborough with its entire garrison of infantry and artillery with his small brigade of cavalry without cannon the charge on and capture of coburn s infantry at thompson s station the capture of the garrison at brentwood and the relentless pursuit of streight s raiders which ended in the surrender of these gallant union soldiers to forrest with less than one half of their number had already attracted wide attention and had made him famous the knowledge of these facts together with a personal association with the men who had felt the influence of his immediate leadership naturally interested me in his career which i closely followed to the end of the great struggle when the general government with wise forethought began to collect and to place at the disposal of its citizens the official reports and correspondence and all the reliable literature of the war i undertook in the light of these and other authentic papers a closer analysis of his military record the further my investigations proceeded the more i became convinced that while forrest was justly acknowledged to be one of the most famous fighters and leaders of mounted infantry or cavalry which the war produced on either side he was more than this and that a careful and unbiased statement of his achievements would place him in history not only as one of the most remarkable and romantic personalities of the civil war but as one of the ablest soldiers of the world while i had hoped as year after year slipped by since peace was declared that some one abler than i would undertake the task of placing in readable shape the story of his life i had determined if this were not done before i should pass into the sere and yellow leaf to pay this tribute to his

memory myself it has been a work of years to gather up from every available source the matter relating to this history his early days his civil and private life and the accurate facts of his military record in 1894 i wrote a condensed sketch had it printed in single column upon the margin of wide sheets of paper leaving a large blank space and these i mailed to every surviving officer or soldier of his command whose address i could obtain and to others personally acquainted with forrest before or after the war all were requested to return the sheet with corrections and to add everything of interest for the accuracy of which the sender could vouch i also caused the publication of this sketch in various newspapers of wide circulation in the section of the south from which his troops were chiefly drawn and asked as well for private letters of information as a result of these efforts a great mass of material came into my possession and an interest was aroused which encouraged me in the laborious task of sifting the reliable from the unreliable and of making presentable to the reader the matter which was worthy of credence

this first edition is a work in progress of 424 pages and 127 000 words it includes a biography 1 550 catalogue records and 700 images of the estimated 3 000 works of art painted by haughton forrest members of the forrest project compiled a web based catalogue that included a history of haughton forrest and his family an inventory of his paintings with information on provenance and ownership and a virtual gallery of images of as many paintings as could be obtained this pooling of energy enthusiasm and expertise has achieved a great deal it now finds monumental expression in this splendid book that will stimulate wider interest in forrest and provide a solid foundation for further research and reappraisal of his work michael bennettprofessor of historyuniversity of tasmania
